

# Menopause & Midlife Care

## Provided by: Colgate-Palmolive

Progyny puts you and your health in focus, providing virtual care for all stages of perimenopause and menopause and all the unique symptoms that come during midlife. Your provider will review the solutions that fit best with your lifestyle and needs, from hormone therapies and non-hormonal medications, to supplements and lifestyle protocols.

Understand your unique symptoms

## Get Started Today:

Dedicated Progyny Care Advocate (PCA)

Virtual Care from Menopause Specialists

Hormonal & Non-Hormonal Treatment

MD-approved Educational Resources

Lifestyle Tips for Symptom Relief

## Is there a cost?

The person(s) receiving services must be enrolled in the Colgate-Palmolive Company Active Medical Plan or the Colgate-Palmolive Company Retiree Medical Plan to access Progyny's menopause and midlife care benefit. You are subject to financial responsibility (i.e. copayments, deductibles, and coinsurance) for virtual appointment and menopause care according to your Anthem BCBS plan. Personalized support from your Menopause PCA and access to digital tools are fully covered by your employer with no out-of-pocket costs to you.

## Questions? Give us a call at: 833.215.1357

Our Progyny Care Advocates are available Monday - Friday from 9:00 am - 9:00 pm ET to answer all of your questions, as often as you need them.
